

Annual Bill Phelps Scholarship Application

Bill Phelps was a lifelong resident of Garrettsville. He coached a variety of sports and spent countless hours helping and mentoring the community's youth. He was especially fond of baseball, dedicating over 50 years to coaching. Recognizing his outstanding accomplishments, the Ohio Hot Stove League inducted Bill into the Hall of Fame. Additionally, he is a hall of fame member of JAG. Recipients are encouraged to continue Bill's values in Garrettsville or in their respective communities after JAG graduation.

This annual, renewable scholarship is being offered in Bill's honor and will provide \$500 for one male or female graduating senior of JAG. The \$500 will be renewable for a second year if the goals continue to be attained. The scholarship *should* be used to pay for books, fees or tuition to any accredited college/university or trade/technical school. We may ask for a paid receipt showing what the funds were used for.
